Much work has gone into this plan by several people over the years. Unfortunately some of the gravestones have now fallen down or have become unreadable and some others are very difficult to read. This document will probably contain several mistakes and is missing some information. Please let us know of any issues. We try hard as a church council to keep the churchyard in a well-kept state but with a view to wildlife, and to have a churchyard that is an ideal place to have a sit down and escape day-to-day pressures. However, looking after the churchyard, and trying to ensure that it is safe for visitors, takes much time and money. We would welcome donations (of time or money) to help look after this lovely area.
